

AUDIT COMMITTEE CHARTER

1. PURPOSE

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Radius Global Infrastructure, Inc. (the “Company”) is to have and exercise the powers and authority of the Board, as hereinafter described, relating to (i) the Company’s financial statements and financial reporting process, (ii) the independence and qualifications of the Company’s independent auditors, (iii) the Company’s systems of internal accounting and financial controls, and (iv) the Company’s compliance with certain legal and regulatory requirements and the Company’s ethics programs.

2. MANAGEMENT FUNCTION

Notwithstanding the purpose of the Committee or the powers and authority of the Committee as set forth in this Charter, management shall be responsible for preparing the Company’s financial statements and the independent auditors shall be responsible for auditing those financial statements. While the Committee has the powers and authority of the Board as set forth in this Charter, it is not the duty or responsibility of the Committee to plan or conduct audits to determine that the Company’s financial statements are complete and accurate and are in accordance with U.S. generally accepted accounting principles (“GAAP”), nor is it the duty of the Committee to conduct investigations or to assure compliance with laws and regulations. It is the responsibility of management to implement and maintain appropriate accounting and financial reporting policies, procedures and internal controls designed to support and promote compliance with applicable accounting standards, laws and regulations. Furthermore, while the Committee has the power and authority of the Board to review the Company’s policies and practices with respect to risk assessment and management, it is the responsibility of the Chief Executive Officer and senior management to determine the appropriate level of the Company’s exposure to risk.

3. COMPOSITION

The Committee shall be comprised of a minimum of three directors. All members of the Committee shall satisfy the applicable independence requirements of the Nasdaq Stock Market or such other primary stock exchange or quotation system on which the common stock of the Company are then listed or quoted or, if there are no such requirements, the requirements of any other applicable listing standards and regulatory requirements. Pursuant to the Company’s certificate of incorporation, for so long as any Founder Directors (as defined in the Company’s certificate of incorporation) are then serving on the Board, at least four-ninths of the Committee must be comprised of Founder Directors or other directors selected by them. The Chairman and the remaining members of the Committee shall be appointed and may be removed by the Board. The Board shall elect the members of the Committee and shall designate the Chairman of the Committee. Any member of the Committee may resign therefrom at any time by giving notice in writing or by electronic transmission to the Company, which shall be deemed to have been given to the Company if given to the Chairman of the Board, if there shall be one, or, if there shall be Co-Chairmen of the Board, either of the Co-Chairmen of the Board, the Chief Executive Officer or the Secretary of the Company, and the Chairman of the Committee, if there shall be one. Any such resignation shall take effect at the time specified therein, or, if the time when it shall become effective has not been specified therein, then it shall take effect immediately upon its receipt by the Chairman of the Board; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Each member of the Committee must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. In addition, at least one

member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities, and at least one member of the Committee (who may be the same person) must qualify as an "audit committee financial expert" within the meaning of Item 407 of Regulation S-K under the Securities Act of 1933, as amended ("Regulation S-K"), in accordance with the applicable rules of the Nasdaq Stock Market or such other primary stock exchange or quotation system on which the common stock of the Company are listed or quoted or, if there are no such requirements, the requirements of any other applicable listing standards and regulatory requirements. Each member of the Committee must not have participated in the preparation of the financial statements of the Company or any of its current subsidiaries during the past three years.

Each member of the Committee must not be then serving on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.

4. FREQUENCY OF MEETINGS

The Committee shall meet at least four times per year, or more frequently as it may determine necessary, to comply with its responsibilities as set forth herein. The Committee will hold regular quarterly meetings in advance of financial statement filings and releases. Regular meetings of the Committee may be held without notice at such time and at such place as may from time to time be determined by the Committee. Special meetings of the Committee may be called by the Chairman of the Committee, the Chairman of the Board, if there shall be one, or, if there shall be Co-Chairmen of the Board, by either of the Co-Chairmen of the Board, the President or a majority of the Directors serving on the Committee. The Chairman of the Committee shall, in consultation with the other members of the Committee, the independent auditors and the appropriate officers of the Company, be responsible for establishing agendas for the Committee meetings. The Chairman of the Committee, or, in his or her absence, or if there shall be none, a Director chosen by a majority of those present, shall act as Chairman of any meeting of the Committee. A majority of the Committee members shall constitute a quorum. Members of the Committee may participate in a meeting of the Committee by means of a conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other. The Committee may also take any action permitted hereunder by unanimous written consent, which may be obtained electronically. The Committee shall keep regular minutes of its meetings and report the same to the Board from time to time and upon request.

The Committee may request any officer or employee of the Company or the Company's outside legal counsel or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Committee shall meet with the Company's Chief Financial Officer and/or Chief Accounting Officer and General Counsel, the internal auditors and the independent auditors periodically in separate private sessions to discuss any matter that the Committee or any of these persons believe should be discussed privately.

5. RESPONSIBILITIES AND PROCESSES

The Committee intends to take the appropriate action to set the overall corporate "tone" for quality financial reporting, sound business risk practices and ethical behavior.

The Committee shall have the exclusive powers and authority of the Board with respect to (a) the appointment, compensation, retention, and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company (including resolution of disagreements between management and the independent auditors) and (b) the approval of all audit engagement fees and terms, as well as non-audit engagements, with the independent auditors.

The Committee shall accordingly have the power and authority of the Board to determine the (a) compensation to the independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, (b) compensation to any independent legal, accounting and other advisors, consultants or professionals retained to advise the Committee and (c) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. The Company shall be responsible for payment of such fees and expenses.

The Committee shall preapprove all audit services to be performed for the Company (including audit engagement fees and terms) and shall preapprove all non-audit services to be performed for the Company by its independent auditors. The Committee may delegate to the Chairman of the Committee the authority to preapprove permissible audit and non-audit services (including fees and terms) to be performed by its independent auditors, or may establish preapproval policies and procedures for this purpose. The Committee shall be informed of any approvals granted pursuant to such delegated authority or preapproval policies and procedures at its next meeting following such approval.

 - Other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.
 - The independent auditors' internal quality-control procedures.
 - Any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five (5) years respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.
 - All relationships between the independent auditors and the Company.
- Whether in the course of conducting the audit, the independent auditors detected or otherwise became aware of information indicating that an illegal act (whether or not perceived to have a material effect on the Company's financial statements) has or may have occurred.
- In connection with the Committee's review of the report from the independent auditors and the Committee's evaluation of such auditors' independence, the Committee shall:
 - Ensure the rotation of the audit partners as required by applicable law.
 - Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditing firm on a regular basis.
 - Review on a case by case basis the Company's hiring of employees or former employees of the independent auditor to ensure there is no issue with auditor independence resulting from such hire.
 - Actively engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of such auditors.

- The Committee shall discuss with the independent auditors any difficulties encountered by the auditors in the course of the audit work, including any restrictions on the scope of activities or access to requested information, any significant disagreements with management, accounting adjustments that were noted or proposed by the auditors but were not recorded by the Company, any “management” or “internal control” letter issued, or proposed to be issued, by the audit firm to the Company.
- If the Company has an internal audit function, the Committee shall oversee the Company’s internal audit function, review any significant reports to management arising from the function and report to the full Board any related issues.
- The Committee shall establish procedures for (a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters; and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters (the “Whistleblower Policy”).
- The Committee shall oversee and review the effectiveness of management’s antifraud programs and controls (the “Anti-Fraud Policy”).
- The Committee shall have review and oversight responsibility over the Company’s Code of Business Conduct and Ethics Policy (which includes the Whistleblower Policy) as well as the Company’s compliance with the Company’s Foreign Corrupt Practices Act and Anti-Bribery Compliance Policy, Related Party Policy and Anti-Fraud Policy.
- The Committee shall perform any other activities consistent with this Charter, the Company’s certificate of incorporation, applicable listing standards and applicable law, as the Committee and the Board deems appropriate.

6. RELATED PARTY TRANSACTIONS

Except where the review, consideration, evaluation, recommendation or approval of a Related Party Transaction (as defined below) is expressly delegated to a different committee of the Board, the Committee shall have the exclusive powers and authority of the Board to review and approve all Related Party Transactions. For purposes of this Charter, “Related Party” and “Related Party Transaction” shall have the meaning set forth under Item 404 of Regulation S-K.
